Enfield Public School is situated in a quiet residential area close to parks, playing fields and the local swimming pool. The school’s 260 students come from a diverse range of backgrounds. Both the school location and size have contributed to a strong ‘community feel’ and is highly valued by parents.

Enfield Public School has developed and implemented a variety of extracurricular programs, aiming to provide a balance to the school’s strong academic programs. These include dance, violin, keyboard, public speaking, chess and swimming.

English as a second language (ESL)
One ESL teacher combines in-class support and withdrawal classes in order to support student learning in English and literacy.

Student support services
