PARRAMATTA EAST PUBLIC SCHOOL
SYDNEY, AUSTRALIA

Parramatta East Public School is situated in Parramatta, in Sydney’s second Central Business District, within easy walking distance of major business precincts and serviced by regular and reliable public transport.

At Parramatta East we strive to continually challenge ourselves to improve. We have extended our Information Technology Centre to incorporate thirty-two networked computers, interactive whiteboards in every classroom and are currently establishing a wireless network incorporating tablet computer devices and a broad range of educational applications. All classrooms have networked computers and wireless capability to ensure computer-based technology is integral to all teaching and learning programs.

Our school is well-resourced: all classrooms have air-conditioning and students have use of expansive grounds with ample shade provided by trees and covered outdoor learning areas.

**English as a second language (ESL)**
Full-time ESL teacher with focus programs for new arrivals and first phase students • In-class support available daily for second phase students

**Student support services**
