Hornsby North Public School, established in 1966, is a student focused school. Set in spacious grounds with bush corridors maintained by parents, staff and students, opportunities for environmental education through the integrated curriculum are many and varied. Strong foundations are established through excellent early learning programs and enrichment opportunities are available at all levels.

Community support is strong and parents are true partners in the educational directions of the school. The school provides learning programs for students in the six Key Learning Areas plus Italian, French, Computer Education and a specialised Science and PDHPE Programs. We are proud of the achievements of our students, particularly in the areas of Visual and Performing Arts where students have won numerous awards. The school is noted for its dance and music programs, with the school’s dance groups and school band achieving widespread recognition.

Hornsby North Public School is an award winning school in Environmental and Computer Education and our students take great pride in the school and its extensive playground area which are used both for play and for environmental education.
