Burwood Girls High School has a broad curriculum and tradition of academic achievement with excellent results in public examinations. With emphasis placed on language and technological literacy, the school has a fair and firm discipline code, a strong student welfare program and options for talented and creative students. The school is proud of its cultural diversity, student participation, welfare programs and a love of learning that characterises the caring environment of the school.

English as a second language (ESL)
ESL programs operate at all levels, led by an ESL coordinator.
