“East Hills Girls Technology High School is a friendly and caring school. The student population is very multicultural and I feel like I belong. My ability to speak, read and write in English has improved greatly as I am able to engage in conversation with my peers. The teaching staff are dedicated and support all students in their learning. Last year an International student received the highest ATAR (98.80) in the school. I have made many friends here and know that this school can help me achieve my best academic results. I love being a student at East Hills Girls Technology High School.”
