Local area features
Cabramatta is located in the south-western suburbs of Sydney and is a diverse, multicultural, residential area. The school is within walking distance of major rail and bus networks and is close to a large shopping area.

“All my teachers were helpful and kind to their students and passionate in their work. They were willing to go the extra mile to make sure you understood everything you needed to. I enjoyed my time at school and would gladly come back, whenever I have the chance.”
