Academic achievements – 2013 HSC results
The highest ATAR was 98.1 • A significant number of students achieved an ATAR of over 90. 20% of ATAR eligible students were listed on the NSW BOSTES Distinguished Achievers List • One student achieved BOSTES Top Achievers in Course List – came 7th in NSW in 2U Mathematics with an exam mark of 99/100 • 67% of ATAR eligible students accepted a University placement for 2014 • 45% of Year 12 cohort went to TAFE NSW • An international student from Indonesian was on NSW BOSTES Distinguished Achievers List

“Merrylands High School is the best school that I have attended. I arrived in Year 10 and had the option of going to another high school for Years 11 and 12 but considering my great experience in Year 10 there, I did not want to leave. My teachers constantly pushed me to practice and practice, opening me up to new, complex ideas that leave me to discover learning for my own benefit. By the end of Year 11, I had come first in 5 subjects out of the 7 I picked. I am excited about my HSC results and University offers. What makes Merrylands High School special is that every student is valued and cared for. I only wish I came and met my friends and the staff earlier.”
