STRATHFIELD SOUTH HIGH SCHOOL
SYDNEY, AUSTRALIA

Strathfield South High School is a comprehensive, coeducational high school where all students are encouraged to make learning their first aim. The school is comprehensive in its approach, developing students’ academic, social, cultural and sporting skills to produce young men and women who are valued citizens. It is recognised as a school of all-rounders, enabling students to extend their skills and interests in a complementary manner in a wide range of areas. Strathfield South High School is also the only school in the area to run a diversified senior school program, where our students only study three subjects a year for the senior school (six subjects over two years), reducing the stress for the HSC and maximising teacher to student teaching time during this vital period.

English as a second language (ESL)
Specialist ESL classes taught by qualified ESL teachers from Years 7-12 • Specialist ESL classes run in all Years for all the Key Learning Areas and Years 11-12 receive additional assistance to support other subjects • The school runs Homework Centre twice a week after school where all students can receive additional tuition from their teachers with assignments and work.
