The school was established in 1974 and has a very proud tradition in academic, sporting and extracurricular activities. The curriculum is diverse and is constantly improving to ensure each individual’s needs are met so that students can become well-rounded citizens who value and contribute to our society.

English as a second language (ESL)
Hoxton Park High School and the Learning Support team strive to prioritise ESL students need for English language support. There is a comprehensive ESL program in place at Hoxton Park High School. Our school offers ESL-focused classes from Year 7 to Year 10 which are taught by the ESL teacher and includes team-teaching with mainstream teachers. Our school also offers the Preliminary and HSC ESL English course for international and new-arrival students.

Student support services
Student services offer a number of programs that promote a safe learning environment and well-rounded students including: Anti-racism project • Whole school anti-bullying plan • Self-esteem workshops • Stress-management workshops • Peer support • Senior and Junior Homework Centre

Languages taught
Japanese (Year 8) • Year 10 Language Elective—Japanese • Japanese Beginners (Years 11 and 12)

Special programs
Hoxton Park High School is a partner school with Australian Business Community Network (ABCN). They offer the Aspirations program for Year 11 students who are potential candidates for university.

The School is also a partner school with University of Western Sydney, which offers a Fast Forward program for Year 9 students to build pathways to university.

Qantas Foundation Young Aspiring Leaders Summit gives the opportunity to build strong leadership skills and students are mentored by successful Qantas Personnel.

Special facilities
Commercial Kitchens • School Agricultural Farm • Fitness Laboratory • Dance and Drama Studios • State-of-the-Art Science Laboratory • Woodwork and Metalwork workshops

Academic achievements – 2013 HSC results
The highest ATAR score was 91.95 • 88% of Year 12 cohort were offered places at university and TAFE NSW

Local area features
The School is located in the South-Western Sydney region with a mix of rural and metropolitan influences. Our school is both a culturally and religiously diverse school, which prides itself on mutual respect and promoting safe and active learning.
