**Local area features**
- Mackellar Girls is situated in a quiet, residential area of the northern beaches, surrounded by spacious playing fields and gardens. The school is within easy walking distance to beaches, pools and essential services such as public transport, medical and shopping centres. All universities can be reached easily by public transport from this school.

“My mother researched this school and decided it would provide me with the best learning environment. My friends had already studied here and achieved excellent results. The teachers are supportive and have very high expectations of us.”
