The Jannali High School has a proud tradition of excellence in a supportive environment. Our highly qualified and experienced teaching and support staff challenge all of our students to perform to their best. We develop the talents and skills of our students through a broad academic and vocational curriculum, complemented by excellent programs in music, sport, visual arts and drama. We have high expectations of each of our students and we foster a strong school spirit.

### English as a second language (ESL)
We do not have an ESL teacher, but we do support our students with a learning support teacher.
