Thuy Linh Chu
Country: Vietnam
School: Kogarah High School

Thuy Linh Chu from Vietnam enrolled in 2008 at Kogarah High School in Year 10.

During her time at Kogarah High School, Linh was an outstanding leader who generously gave her time to support the achievements of others and became a wonderful friend to many of her peers.

“"The best thing about studying in a government school in Australia is to have the chance to make friends with many different students coming from a wide variety of cultures and know you can make a change.”

She was elected school captain, completed the Higher School Certificate in 2011 and was dux of her school. She achieved an Australian Tertiary Admission Rank (ATAR) score of 99 and was nominated by her School Principal for a DEC International Academic Achievement Award.

“It has been such a great honour knowing you are not only a student but a part of the school.”

In 2012, Linh began her tertiary studies in Engineering and Science at the University of Sydney.
