

# International student design application

## Design task requirements 2010

These requirements apply to the following courses:

- **7565** Diploma of Ceramics

Design courses at TAFE NSW are in high demand by both Australian and international students. Places are limited and entry is subject to a selection process that includes assessment of one or more design tasks.

### How to apply

To apply for a design course you must complete and submit the following:

1. **TAFE NSW International Student Application Form**  
Attach any required supporting documentation. Note that an English language competency requirement of IELTS 6.0 applies to applications for the above design courses.
2. **This form**  
Please ensure you have completed sections 1, 2 and 3 and have printed your name clearly across the bottom of each page.
3. **Your original design work in the format specified**  
See section 4 below for specific details of requirements. Your name should be clearly marked on each piece of work you submit, as well as any containers for that work.

### Section 3

#### Background and commitment statement

Please answer the questions below. Your answers should be concise and clearly written. Applications will be assessed according to the following criteria:

- Relevant prior education and training
- Demonstrated commitment to a vocational area
- Demonstrated commitment to or ability to complete the course
- Relevance of course to career intentions

**(a) Relevant prior education or training**

Details of any prior education or training you have completed should be indicated on the TAFE NSW International Student Application Form. You should attach certified copies of relevant academic records.

**(b) Commitment to working in the relevant design field**

Demonstrate your commitment to eventually work in a design field relevant to the course.

For example:

- What related subjects or courses have you already completed?
- What prior involvement have you had with the design field?
- Have you researched what this design field is about?

---

---

---

**(c) Commitment and ability to complete this design course**

TAFE NSW design courses require you to complete a substantial amount of work outside of scheduled class hours in addition to classwork. How have you demonstrated your commitment and ability to complete this design course?

For example:

- How much, and what type, of work have you undertaken in completing previous courses?

---

---

---

**(d) Relevance of this course to your career intentions**

What are your career goals?

For example:

- What type of work do you wish to undertake in future?
- How will this course help you achieve your career goals?

---

---
