

NEW ENGLAND INSTITUTE

New England Institute encourages students to try new things and realise their full potential. Our experienced and dedicated teachers take a practical approach to learning, and students choose from a variety of courses to study in a peaceful, friendly learning environment with modern training facilities.

We are proud that the quality of the training that we provide makes a difference to career paths and lives in general.

LIVING IN NEW ENGLAND

The New England area offers students:

- » A safe, secure, healthy lifestyle among friendly people
- » A low cost of living
- » The opportunity to focus on your studies in a peaceful country environment
- » Easy access to surrounding national parks, including spectacular world heritage areas
- » A pleasant climate with warm-to-hot summers and cooler winters
- » Leisure activities and cultural opportunities to suit all interests.

AWARDS

Students achieved NSW State Medals (i.e. highest mark in the state) in 2007 in the following courses:

- » Certificate 4 in Nursing (Enrolled Nursing)
- » Certificate 4 in Veterinary Nursing
- » Diploma of Electrical Engineering
- » Diploma of Graphic Design

2008 National WorldSkills

New England Institute students won gold medals in Tourism, Auto Electrical and Landscape Construction. One award winner was an international student from the United Kingdom currently studying at New England Institute.

SPECIALIST FACILITIES

- » Purpose-built training facilities for **Massage Therapy and Children's Services** at Armidale College
- » **Commercial kitchens** at Tamworth College
- » Access to training facilities at the **Australian Livestock and Equine Centre** in Tamworth

SPECIALIST COURSES

- » **Tamworth College:** Business, Animal Care, Information Technology, Hospitality, Community Services Work, Horticulture, Aged Care
- » **Armidale College:** Agriculture, Children's Services, Remedial Massage, Film and Television, Business

STUDENT PROFILES

"My name is Mpilo Hove, I came to Australia in July 2007, specifically to study Aged Care Work at New England Institute, Tamworth College.

I had a wonderful time at TAFE and I will always miss the staff whose friendly culture is unprecedented.

I was looked after and, as if that was not enough, they were a source of guidance, hope and encouragement."

**- Mpilo Hove
 Zimbabwe**

Mpilo completed the Certificate 3 in Aged Care Work and, in 2009, is studying the Diploma of Nursing. His plan is to articulate to a Bachelor of Nursing degree.

Students practice beverage skills in modern TAFE hospitality facilities

New England Institute's Student Association organises lunchtime entertainment on campus

TAFE NSW Colleges are modern training centres

Students gain practical skills in well-equipped workshops
