STUDENT ACHIEVEMENT

Dilini Kannangara has embarked in 2009 with two things in her favour, a new Certificate 4 in Commercial Cookery qualification at distinction level and an award for Most Outstanding Student in Commercial Cookery at the renowned TAFE NSW – Northern Sydney Institute (NSI) Ryde College.

"The course itself has widened my horizons and has provided the confidence and direction to embark on any career I choose to follow, whether this is academic, administrative or starting up my own business in Commercial Cookery."

I want to travel to Europe and South East Asia and learn more about food from different cultures, and I believe what I have studied is something I can travel with.

I have made many friends from different nationalities at Northern Sydney Institute and I have already discovered so much about different types of cooking and the cultural methods."
