“I’ve been studying in Cleveland Street Intensive English High School for about one year and I enjoy it. My English was not good enough before. But when I got here everything changed. I made a lot of friends in this school. I’m so happy. They are from different countries so I must speak English to them, and now I love English. Every Wednesday, I have Sport after lunch. You can choose your favourite sport. I’m also in SRC ALIVE which gives me opportunities to develop leadership skills. Teachers in my school are very friendly, lovely and kind. We can be good friends in the school. What are you waiting for? Come and join our School.”
