TAFE NSW DEGREES

At TAFE NSW we have an enviable reputation for producing highly competent, industry-ready graduates. Our degrees are designed to give you the foundation knowledge and technical skills you need to excel in your chosen industry. New degree programs are currently being developed in a range of disciplines.

THE TAFE ADVANTAGE

A TAFE NSW Higher Education degree qualification is a valuable tool for building your future.

Our programs result in positive outcomes for students for the following reasons:
> degree programs are developed in consultation with industry to ensure currency and relevance
> courses focus on practical skills
> small class sizes
> caring and friendly staff
> practical, student focused teaching strategies
> internship and work experience opportunities

POST STUDY WORK RIGHTS

If you graduate with a TAFE NSW Bachelor Degree you will be eligible to apply for a Temporary Graduate Visa – Post Study Work Stream.
